FIVE REASONS WHY CALUMET BAKING POWDER

1. It complies with the Pure Food Laws of all states.
2. It is the only high-grade powder sold at a moderate price.
3. It is not made by a Baking Powder Trust.
4. Food prepared with it is free from Rochelle Salts or Alum.
5. It is the strongest Baking Powder on the market.

\$1,000.00 given for any substance
injurious to health found in Calumet

Calumet is so carefully and scientifically prepared that the neutralization of the ingredients is absolutely perfect. Therefore Calumet leaves no Rochelle Salts or Alum in the food. It is chemically correct.

All Grocers are Authorized to Guarantee this

Calumet Baking Powder costs little. Costs a little more than the cheap, injurious powders now on the market, but it is a big saving over the trust powders.

Which should not be overlooked on

THE McCORMICK MOWER

Is that the cutter-bar is fitted with very long wearing plates, insuring easy running and smooth cutting.

The bar itself is made of heavy rolled steel, with a thick rib extending the entire length of the bar. This construction results in a cutter-bar which is unsurpassed in

strength, rigidity and durability. Other important points are fully explained in the McCormick book, "It Takes the Palm," supplied free to those interested in harvesting machines.

We carry a full line of repairs for McCormick and Champion Machinery.
